

## Gel Cube Cushion

### Patented Multi-Layered Honeycomb Technology and Beta-Gel Materials

Disperses pressure on the  
hip and thighs.

Comfortable to sit on for long  
periods whilst helping you  
maintain good posture.

### Features & Benefits:

- Non-slip technology on the bottom of the cover.
- Washable with water.
- Provides optimal pressure dispersion.
- Absorbs impact and vibration.
- Helps to prevent the distortion of skin and blood vessels.
- Made from a special polymeric material.
- Doesn't degrade even at high temperatures of 70 degrees.
- Doesn't tear easily.
