

**The Mobi-Mat is a portable and removable rollout access pathway for pedestrians and people who use wheelchairs, strollers, bicycles, mobility scooters and walking frames.**

Resistant to UV and to temperatures from -40 to +80°C

Easy roll-out walkway installation

100% recycled material

Light weight roll-up walkway

ADA-ABA compliant roll-up pathway

Barefoot friendly

Non-slip patented walkway surface

Resistant to repeated vehicle crossings

**Mobi Mat provides a firm, safe, stable & smooth continuous surface without gaps.**

**Environmentally friendly** - Made of 100% recycled polyester, Mobi-Mat contributes to the environment by utilising recycled plastics.

**User friendly cool and smooth surface** - The Blue Mobi-Mat remains cool when exposed to very high temperatures up to 80°C (176°F), for the benefit of all beachgoers.

**Lightweight and Easy Installation** - Mobi-Mat is 20.5kg for a 10m x 1.53m roll, making it easy to roll out with one or two people depending on the length of mat. Installation and retrieval can be performed by one person when using the Mobi-Roller.

**Color** - Easily provides dedicated traffic lanes and is great for those with visual impairments.

**Low Maintenance** - The permeable structure allows sand to filter through without sinking into the sand. It is easily maintained by sweeping any excess sand build up with a broom or leaf blower.

*Each kit is equipped with end connectors and eyelets to insert the staples provided in the kit.*

**Width: 1.53m**

**Length: 10m**

**Roll Weight: 20.5kg**
