GIRAFFE BOTTLE

HANDS FREE DRINKING SYSTEM

**AVAILABLE IN CLEAR
+ STAINLESS STEEL!**

TRITAN™ BOTTLE KITS

Clear Plastic Bottle

- 25oz / 750ml volume bottle
- Clear Tritan™ plastic construction
- Lightweight, single-walled body

POSITIONABLE, FLEXIBLE NECK

The flexible neck puts the “fun” in “function” and holds the tube in place when set into position

EASY TO CLEAN

Unlike a real Giraffe, this bottle is odor resistant and won't bite when washed

LIGHTWEIGHT TRITAN™ PLASTIC

Tritan™ by Eastman is the pinnacle of bottle material - it's like the Rolls-Royce of plastic

BPA FREE

We don't know where all that excess BPA goes, but it isn't ending up here

GRADUATED VOLUME MARKS

There's no hiding that this bottle is convenient - you can see right through it

1-WAY INTEGRATED CHECK VALVE

The nifty check valve locks liquids in the drinking tube and keeps them from flowing back into the bottle

STAINLESS BOTTLE KITS

Stainless Steel Bottle

- 24oz / 700ml volume bottle
- Painted stainless steel construction
- Double-walled, vacuum insulated body

POSITIONABLE, FLEXIBLE NECK

The flexible neck puts the “fun” in “function” and holds the tube in place when set into position

STAINLESS STEEL CONSTRUCTION

The stainless steel exterior is mega durable, super shiny, and overflowing with style

DOUBLE WALL VACUUM INSULATED

Scientists say vacuum insulated bottles improve temperature retention - and, boy are they right

BONUS BOTTLE CLEANING BRUSH

We include a bonus brush so your bottle receives a luxury cleaning treatment every time

EXTRA INSULATED LID

Our insulated lid seals in hot and cold drinks and keeps liquids at ideal temperatures for longer

1-WAY INTEGRATED CHECK VALVE
