

# MATRIX® MULTI CUSHION

The Matrix Multi Cushion is designed with a unique three part foam combination providing maximum immersion and comfort without sacrificing long lasting durability and support. The innovative top BreZZy Gel Foam layer offers a softer exceptionally comfortable feel and a mild cooling effect - a popular choice for highly sensitive users or those that require extra immersion for increased sitting time and comfort.

### Outer Cover

- Reversible Startex™ outer cover – can be used fabric or wipeable side out
- Moisture resistant and breathable for comfort
- Includes hook and loop strips and orientation diagram

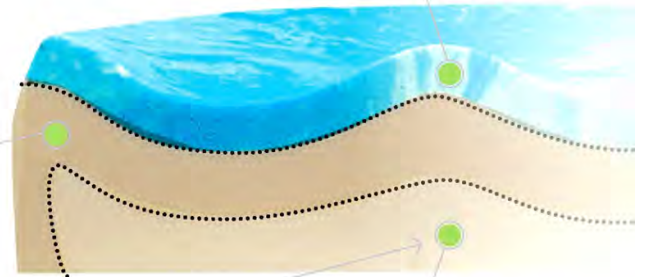

### Inner Cover

- Zippered, wipeable Startex™ inner cover for extra moisture protection
- Easy access for cushion modifications

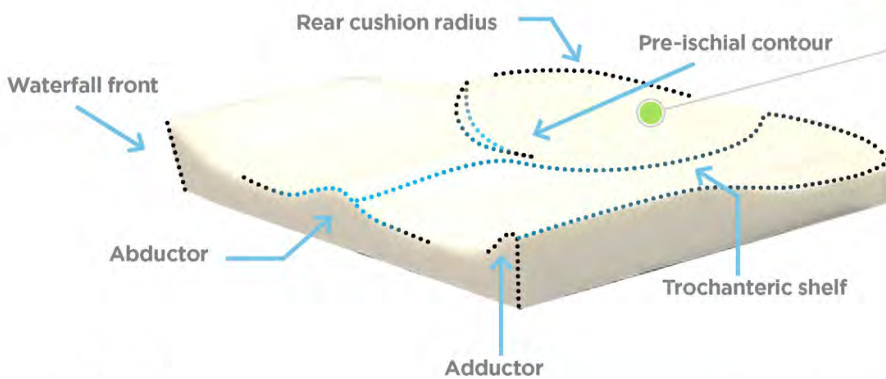

### Top Layer

- BreZZy Gel foam with softer more comfortable feel and a mild cooling effect

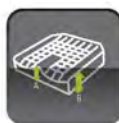

### Middle Layer

- Co-molded viscofoam for optimal immersion and skin protection

### Bottom Layer

- High Resiliency foam with multiple molded in positioning features
- Maximum durability designed to prevent bottoming out
