

MATRIX®

LIBRA

CUSHION

The Matrix® Libra Cushion - The complete solution, designed with the highest level of skin protection, positioning and adjustability for unique user needs. Specially contoured to provide balance and stability to the pelvis, optimising body function. Recommended for all users including those at highest risk of skin breakdown.

Outer Cover: Moisture resistant, high stretch, breathable Startex™ material, Velcro strips, lifting strap, zipped side pocket with easy pull tab.

Inner Liner: Highly flexible Platilon liner providing extra layer of moisture protection.

Fluid Sac: Patented dual layer, sealed compartments for maximum protection around bony prominences. Non-temperature sensitive, no kneading or maintenance required.

Foam Base: High resilient foam with anti-microbial and odour protection.

Ab/adductor contour promotes midline leg position.

Pre-ischial contour prevents sliding to reduce shear.

Trochanteric shelf provide lateral stability and a level pelvis.

Extended rear cushion radius helps prevent posterior pelvic tilt.

Waterfall front edge accommodates tight hamstrings.

C1 SOUTH

Libra Fit Kit Accessories:

Designed to enhance immersion, correct or accommodate orthopaedic issues.

Lateral Wedges - create extra depth of contour.

Tapered Wedges - enhance adductor support on one side of cushion or use to assist with pelvic obliquity.

Anterior Seat Wedges - enhances pre-ischial contour to prevent sliding.

Abductor - to promote midline leg position.

Fluid Supplement - targeted application with strap attachment.

Cushion Measurement Guide

Please note that the cushion depth is taken from the side of the cushion. This is due to the radius cut at the back of the cushion to account for upholstery or back supports.

Code	Size	Weight Limit
LC1412	14" x 12"	133kg
LC1414	14" x 14"	133kg
LC1416	14" x 16"	133kg
LC1616	16" x 16"	133kg
LC1618	16" x 18"	133kg
LC1620	16" x 20"	133kg
LC1816	18" x 16"	133kg
LC1818	18" x 18"	133kg
LC1820	18" x 20"	133kg
LC2016	20" x 16"	133kg
LC2018	20" x 18"	133kg
LC2020	20" x 20"	133kg
